It is "crystal clear" that public education and our democracy are being threatened.

We are faced with a resurgence of book bans, the promotion of Christian Nationalism in the classroom, extremism on school boards, whitewashing the history of minority populations in social studies curriculum, the imminent threat of vouchers, the influence of billionaires in shaping policy, the closure of neighborhood schools while charter schools expand, and the uncertain safety of our children, especially LGBTQ students.

It is time for all of us to stand up and fight to save public education, but A4PEP can't do it alone. Will you join us in the fight to protect public education by making a donation of \$50, \$100, \$250, \$500 to A4PEP? A4PEP is a 501c3 nonprofit. All donations are tax deductible.

Donate at www.a4pep.org or mail a check to:
A4PEP, P.O. Box 140220, Edgewater, CO. 80214

Your donation will allow us to continue communicating with the public by offering online webinars with renowned speakers, working with policymakers to advance meaningful legislation, building stronger coalitions with like-minded organizations, and expanding outreach to supporters statewide.
